PRESIDENT'S LETTER

Dear Fellow Phi Betes,

The school year may be winding down, but not the calendar of the Northern California Association. Two wonderful annual events have taken place since our last newsletter. First, our **Asilomar Conference**, once again under the competent leadership of **Jae and Pat Emehiser**, was an outstanding success. While having wonderful time in a beautiful place, we raised almost \$10,000 for scholarships. (See Jae's article about Asilomar, page 2.) In addition, our May **Annual Meeting and Awards Dinner**, planned by **Stanley and Adeline Kahn**, served as an inspiration to us all. Those who feel pessimistic about the future of our country need only hear the Scholarship and Teaching Excellence awardees speak to restore their faith in the future. The awardees are listed on page 2.

Besides these two major events, our Association has benefited since our last newsletter from a number of activities planned and implemented by the Kahns. Stanley, as First Vice President, Programs, served an extra year until his replacement, **Judy Hardardt**, was able to free herself from other obligations and assume the duties of the office. This newsletter introduces Judy's initial programs. I hope that many of you will be able to join us on these outings. These events are fun and educational, and they also provide us with the opportunity to meet and socialize with other members. Participating in these events is a great way to get involved in the Association and make new friends. Judy is open to suggestions for events from the membership, so if you have any ideas, please contact her.

More than 1200 Phi Betes have become members of the Association so far this year. Speaking for the entire Board, I would like to thank you for your generous contributions. Your donations have made our Scholarship and Teaching Excellence Awards possible. We extend a special thank you to those who have contributed at the Patron, Sponsor, Benefactor, Donor, and Sustaining levels. See pages 5-7 for the membership list as of May 5. Thank you all.

In the fall, you will be receiving the September newsletter and the 2008 Association Directory, which we publish every three years. In the meantime, enjoy the wonderful events planned by our new Program VP, **Judy Hardardt**.

Respectfully submitted,

Jean Ellen James, President

THANKS CAL GRADUATES AND OTHERS

Sincere thanks to all of you who responded to our request for donations that enabled us to sponsor a reception for new Phi Beta Kappa initiates at UC Berkeley. Because of your generous contributions, we will be able to provide a lovely reception for this year's group and still have a little left over for next year's reception. (All contributions for the reception were earmarked specifically for that use.) You will make the initiation more memorable for all involved.

Many, many thanks,

Georgia Maslowski, Corresponding Secretary

SCHOLARSHIP and TEACHING AWARDS

At the Annual Meeting and Awards Dinner on May 4, 2008, the Association presented nine outstanding Phi Beta Kappa graduate students with \$5000 scholarship awards to assist them in completing their educational objectives; and conferred its 2008 Teaching Excellence Awards upon four distinguished teachers nominated by their students.

Awardees are on Page 2

Looking toward next year, the Teaching Excellence Committee has already received two nominations for the Teaching Excellence Awards that will be presented in the Spring of 2009. If you would like to nominate a favorite teacher you can find the nomination form on our website. Nominations must be received by November 30, 2008.

ASILOMAR 2008

Interpreting Science, Humanities, and the Law

One hundred five Phi Betes and their guests enjoyed the 22nd Annual Northern California Association Conference at Asilomar, February 15-18. We participated in outstanding lectures and stimulating discussions, T'ai Chi, and quiet time for recreation and relaxation. President Jean James ordered gorgeous weather for Friday and Saturday, when several participants walked to the Monarch Butterfly Sanctuary under leadership of Bob and DeeDee Baronian. See some pictures on our website.

Each morning on the patio in front of Fred Farr Forum, Cynthia Fels, M.Ed., a retired teacher, volunteer naturalist for

ASILOMAR 2008, continued from lower left

the Monterey Bay National Marine Sanctuary, and certified T'ai Chi instructor, taught us simple exercises for 30 minutes before breakfast.

Our lectures began Friday evening with Dr. Marcia McNutt, President and CEO, Monterey Bay Aquarium Research Institute, presenting a number of fascinating scenarios for "Engineering the Oceans". Saturday morning, Professor Kermit Roosevelt III, who teaches law at the University of Pennsylvania, spoke on "Interpreting Supreme Court Decisions". Written for non-lawyers, his latest book, the stimulating *The Myth of Judicial Activism* (Yale University Press, 2006), was the common reading for our conference and served as the source of our small group discussions Saturday afternoon. Before dinner, participants joined in an enjoyable wine-tasting seminar led by Dr. David McCuan of Sonoma State University. In the evening Dr. John Churchill, Secretary of Phi Beta Kappa, brought us news from ΦBK headquarters in Washington, D.C., and evaluated the state of liberal arts education in the U.S.

Sunday, we were treated to lectures by the Houstons and by the spouse of our member, Mary Granger. In the morning, James D. Houston, a keen observer of western America and a prolific writer of both fiction and non-fiction, explained his inspiration for his latest books *Snow Mountain Passage* and *Bird of Another Heaven*. After lunch, Jeanne Wakatsuki Houston, co-author of *Farewell to Manzanar* and friend of our member Masako Miura, spoke on her novel *Legend of the Firehorse Woman*. After dinner Dr. Ed Granger, President of Ontario Beach Systems and Chief Technical Officer for Delta E, interactively demonstrated his work on color vision and image displays.

The conference concluded with Ranger Roxanne Jacobus, our favorite California State Park Ranger, along with newcomer Ranger Andrea, leading us on a walking tour of the history of Asilomar and the many buildings designed by California's first woman-architect, Julia Morgan.

The conference registration fees helped fund two of the graduate student scholarships awarded during our Annual Meeting and Awards Dinner at the UC Berkeley Faculty Club on May 4 (see left column). After expenses were paid, each registrant may deduct \$79.19 as a charitable gift on his or her income taxes. But since we do not give tax advice, please confirm this with your accountant.

On their evaluation forms, participants made valuable suggestions that are being included in planning for next year's program. The responses were 15 to 3 for reading in common, and discussing, a book by one of the speakers. Most suggestions favored non-fiction.

Over 60 members have already submitted their \$100 registration fees for next year. Please spread the word among your Phi Beta Kappa friends and feel free to bring a guest with you next year, President's Day Weekend, February 13-16, 2009. Send your check for \$100 per person, payable to PBKNCA, to me at 2898 Sand Pointe Dr., McKinleyville, CA 95519. When I receive your check, I will mail you the Asilomar housing reservation form.

We are providing this tour again; last year we were obliged to turn some prospective attendees down because the Lab bus, which transports us from downtown Berkeley to the Lab, seats only 20 people.

You will recall that the Laboratory was founded many years ago by late Berkeley professor Ernest O. Lawrence, the inventor of the cyclotron. Dr. Lawrence was the first member of the UC Berkeley Faculty to win a Nobel prize. Since then, this same research facility has hosted at least ten more Nobel awards. We have been promised guides who will discuss topics of research at the Lab different from those that were discussed on the prior tour.

Occasionally we have information we would like share with you - perhaps an update of an event, or even a new event that didn't make the newsletter. History Cruise on the USS Potomac: Thursday, October 2, 2008. Deadline September 4

The USS Potomac was first commissioned "The Coast Guard Cutter Electra" on June 30, 1934. She was subsequently re-commissioned "The USS Potomac" in 1936, after being chosen to become the Presidential Yacht, enjoyed by then-president Franklin Delano Roosevelt as his "Floating White House". The Potomac is docked in Jack London Square. The history tour will include the story of the ups and downs (literally) of the ship and how she was adapted to serve the needs of a physically handicapped President, and all the while we will be enjoying the very special views one can only get from the waters of the San Francisco Bay.

Be sure to bring sunglasses, a jacket and a cap or hat that will not blow off and land in the water. Binoculars and cameras are also a good idea. We will meet at the dock at Jack London Square no later than 10:30 AM as the ship leaves the dock at 11 AM. We will complete the tour at approximately 1 PM. Lunch will be available at area restaurants of your choice.

Tour of John Muir Home and Historic Site: Saturday, November 16, 2008. Deadline October 17

My life these days is like the life of a glacier...one eternal grind...soon I'll throw down my pen and take up my heels and go mountaineering once more. So said John Muir on one of those days we all have now and then. But for Muir, this was not a fanciful dream but a definite reality, for Muir was to many of us the original mountain man. He was famous as a preservationist and as a naturalist - if it hadn't been for John Muir, Yosemite National Park might never have been created. Muir was also personally involved in the creation of the Grand Canyon, Sequoia, Kings Canyon, and Mt. Rainier National Parks. Muir is also credited with the founding of the Sierra Club (with William Colby) in 1892 and served as the Club's president until his death in 1914.

The John Muir National Historic Site is located in Martinez. Our tour will include a docent-led tour of Muir's home and the property that surrounds it.

Website: www.nps.gov/jomu/

Accessibility: For the grounds, a golf cart is available for rides up the hill to the house. There is also an "easy access" path. Paved pathways also make it easy to navigate your way around the park. A wheelchair lift makes the first floor of the Muir home accessible to everyone. The first floor of the Martinez adobe is also accessible from the south side. ADA approved picnic tables are in the park.

Be sure to bring a picnic lunch, as we will be able to enjoy lunch together following the tour.
