## From The President

I am very honored to have been elected President of Phi Beta Kappa – Northern California Association. In this position, I follow a long line of admirable members whose talents have been instrumental in shaping the organization into an active membership that supports our philanthropic goals of Graduate Student Scholarships and Teaching Excellence Awards. We also enjoy social events, such as monthly excursions to fascinating sites around the Bay Area, and, of course, our annual Presidents’ Weekend symposium at Asilomar.

Our Board this coming year includes many returning officers, plus two new faces. In addition to myself as President (a new position for me, although I have served as Treasurer for ten years), our new members are Treasurer Robin Fuller and Recording Secretary Sam Kart. Continuing in their previous positions are 1st Vice-President–Programs Judy Hardardt, 2nd Vice-President–Scholarship Joanne Sandstrom, 3rd Vice-President–Membership Alex Harding, and Corresponding Secretary Letitia Sanders. Our four Board Committee-Chairs all have chosen to continue: Teaching Excellence Chair Narcinda Lerner, Newsletter and Website guru Ray Hendess, Chapter Liaison Chair Marci Coglianesse, and Asilomar Chair Cal Wood.

We extend our thanks to Nominating Committee Chair Peete Baer, who leaves that office, and welcome our Nominating Committee members for the upcoming year: Jacqueline Dever, Larry Lerner, Gerry Richards, and Cal Wood.

At the Association’s Annual Meeting, held 1 May 2011 at the UC Berkeley Faculty Club, we presented \$5000 scholarships to eight graduate

students from five universities in our region. We also gave five Teaching Excellence Awards to faculty members from three different campuses; these professors were nominated for their outstanding teaching abilities by former students, who are ΦBK members.

Funds for our scholarships and awards come from your fully tax-deductable membership fees and gifts, the profit from Asilomar (nearly two scholarships) and also from our social programs.

Please support ΦBKNCA however you are able: attend our monthly “field trips” to meet other members and to learn about the wonders of the Bay Area, donate to our Scholarship and Teaching Excellence funds, and join a hundred or more “seekers after knowledge” at the annual Asilomar retreat over Presidents’ Weekend, Feb 17-20, 2012, to be announced in the September newsletter.

I look forward to meeting many of you there.

*Mary Turner Gilliland, President-elect 2011-12*

## Chapter Liaison Report

Each spring, ΦBKNCA sends volunteers to represent the association at new-member initiations at the eight ΦBK college and university chapters in northern California: UC Berkeley, UC Davis, UC Santa Cruz, San Francisco State University, Santa Clara University, Stanford, Mills College and the University of the Pacific.

San Francisco State University

Mills College

Our association participates in these ceremonies to make new initiates aware of ΦBKNCA and of the opportunity to join us. We inform them about the Teaching Excellence Award and encourage their nomination of a favorite professor. We also alert those who will attend graduate school at one of the eight regional ΦBK schools that we sponsor a graduate scholarship program.

Thank you to our wonderful 2011 initiation volunteers: Mary Frances Crabtree (SFSU), Toni Thomas and Mary Alice Yund (Mills), Joanne Sandstrom (UCB), Mary Turner Gilliland (UCD), Mary Hanel (Santa Clara), Sierra Elliott Thompson (Stanford), Narcinda Lerner (UCSC) and Marci Coglianese (UOP).

It is always inspiring and great fun to meet the newest ΦBK initiates and their professors. If you'd like to volunteer to attend a 2012 initiation, please contact me at [marci.coglianese@comcast.net](mailto:marci.coglianese@comcast.net).

*Marci Coglianese, Chapter Liaison*

## Receive the Newsletter Online

**M**ore than 1/3 of our members have gone green! Sign up now and receive the newsletter weeks ahead of everyone else **and** save the Association money! When we take the newsletter to the printer, we will send you an email containing a link to the newsletter online. You will be able read it online, save it on your computer, and/or print it. Try it; it's quick and easy, even for "technologically challenged." If you later want to switch back to snail mail delivery of the hard copy – no problem. There will be a link in the email to do that. **Go to [www.pbknca.org/1010](http://www.pbknca.org/1010) to sign up now**; you will also be notified of any late developments, such as the June 4 Bancroft event (*q.v.*).

## Upcoming Events

**H**ere is a reminder about our enrollment, refund and cancellation policies. Most events can accommodate you and any friends or family you'd like to bring along. Occasionally an event will have a limited enrollment, in which case we may not be able to accommodate more than one member and one guest per enrollment. As for refunds, if you call in advance they may be available unless ΦBKNCA will lose scholarship money — that is, unless we are financially committed, based on your enrollment, to an organization at which the event will be held. If we can find someone to fill your space, we may be able to refund your payment but that is not always possible. Members who do not come to an event they've signed up for will not receive a refund. The ΦBKNCA Board is most grateful to those who prefer to donate the program fee to the scholarship program in lieu of a refund.

Check our website at [www.pbknca.org/index.htm#upcoming](http://www.pbknca.org/index.htm#upcoming) for the latest news and any changes or scan the QR code on the address page to open the website in your smartphone.

**Southwestern Banded Blankets: Three Cultures, One Horizon – San Jose Quilt Museum – Thursday, July 21, 2011**

After a hiatus of several years, we are visiting the San Jose Quilt Museum once again. This time we will enjoy a docent-led tour of a unique exhibit and the first of its type to focus exclusively on banded blankets by Native American weavers. These utilitarian and

simple striped blankets showcase the rich cultural tradition of the Pueblo, the Navajo, and the Spanish Colonial Rio Grande blankets of the “Four Corners” area of the American Southwest. United by common elements of stripes and indigo coloration, these blankets are elegant in their design composition, sophisticated balance, and amazing variety.

Southwestern Banded Blankets provides a special opportunity to examine the austere beauty and subtle variations of three traditions of these rare, well used textiles. A catalog of the exhibition will be available. <http://www.sjqquiltmuseum.org/>

**Date:** Thursday, July 21, 2011

**Time:** 11am

**Minimum:** 10 - **Maximum:** 15

**Deadline:** June 29, 2011

**Visit to Cheese Country – Point Reyes Farmstead Cheese Company – Saturday, August 27, 2011**

“Our cows eat local grasses all year long. The milk is consistent in our stable coastal climate. The salty, Pacific breezes help cure and age our cheese and we don't rely on milk from

any other farm. This allows us the ability to guarantee consistent, supreme quality all year long.” Bob Giacomini, owner.

Thanks to the recent article in Sunset Magazine, it was really difficult to get a good date to visit the Giacomini Family Farm in Point Reyes, especially since we wanted it on a Saturday so that all members could sign on. Our visit to Point Reyes Farmstead Cheese Company and their new cooking school, The Fork, will start with a one-hour tour of the farm, possibly led by owner Bob Giacomini. Following the tour, we will enjoy a cheese presentation with a 1½ hour focused tasting of 5 cheeses paired with accompaniments and two wines. We will also have the opportunity to sample cheeses not yet on the market from the private cheese cellar. For more information about this Giacomini Family venture, visit their website at [www.pointreyescheese.com](http://www.pointreyescheese.com).

**Date:** Saturday, August 27, 2011

**Private Docent-Led Tour: Marine Mammal (Rescue) Center – Friday, September 23, 2011**

The mission to expand knowledge of marine mammals—of their health and that of their ocean environment—and to inspire their global conservation, is the overriding objective for the hard-working people at the Marine Mammal Center. Their core work is the rescue and rehabilitation of sick and injured marine mammals, supported by state-of-the-art animal care and research facilities, a corps of dedicated volunteers and an engaged community.

We will have a docent-led tour of the facility, escorted through this unique outdoor animal rehabilitation hospital, have our questions answered, and learn the stories of the current patients. We will view seal and sea lion patients and learn how the hospital functions, look into key areas such as the fish kitchen, chart room, laboratory, and post-mortem area (optional). Depending on the number and type of patients they have onsite, we may be able to watch animal-care crews in action preparing and offering food, cleaning pens, and helping with medical procedures, as well as observe technicians doing laboratory analyses. Hands-on experiences with rescue equipment and touching pelts enhance the tour and highlight the characteristics, behavior, and adaptations of the seal and sea lion patients.

**Date:** Friday, September 23, 2011

**Time:** 11:15am

**Minimum:** 15 - **Maximum:** 20

**Deadline:** August 24, 2011

**Fee:** \$12.00

**Directions:** [www.marinemammalcenter.org/visiting-us/directions.html](http://www.marinemammalcenter.org/visiting-us/directions.html)

From north of the Golden Gate Bridge: Take the last Sausalito exit off Highway 101 South, just before the Golden Gate Bridge. At the exit stop sign, turn right and follow the road under Highway 101 to a second stop sign. Go straight and look immediately for a left turn lane and a sign for "Marin Headlands." Go left and through the tunnel. You will now be on Bunker Road. Follow directions below.

From south of the Golden Gate Bridge: Just after you cross the Golden Gate Bridge, take the second exit off Highway 101 at Alexander Avenue (after the Vista Point). Stay to your right. Do not turn left at the exit off-ramp and do not go underneath the freeway. Proceed about 500 feet until you see a left turn lane and a sign for "Marin Headlands". (Do not go down the hill into Sausalito). Turn left and go through the tunnel. You will now be on Bunker Road. Follow directions below.

Directions once on Bunker Road:

- Follow Bunker Road for approximately 3 miles.
- Ignore various forks to the left; always bear to the right to make sure you stay on Bunker Road. Rodeo Lagoon is your next landmark.
- About halfway alongside the lagoon, the road forks. Turn right at that fork, continuing uphill. Turn right at your next opportunity; this will lead you up the hill and through our entrance gate.
